

KEEP COMMUNITIES FLOWING

AMERICAN WATER

CHARITABLE FOUNDATION

Pillars of Giving

In our mission to demonstrate American Water’s commitment to the communities it serves, we align our grant making to American Water’s values. Our charitable focus to **Keep Communities Flowing** empowers our employees to get involved and our communities to learn how every drop counts. The American Water Charitable Foundation supports three pillars of giving: Water, People and Communities. **Giving back is part of who we are.**

WATER

Water and Environment

Programs focused on clean water, conservation, environmental education, climate variability, and water-based recreation. Examples include programs that improve, restore or protect watersheds/water quality; promote water conservation; and/or improve equitable access to water-based recreation in underserved communities. Environmental projects that seek to educate, inform and advance environmental issues to preserve and protect natural resources.

Application Open: April 1 – June 30

Grant Decisions: by August 15

The American Water Charitable Foundation is registered with the IRS as a 501(c)(3) private foundation.

PEOPLE

Workforce Readiness

Programs focused on general career readiness, financial and business literacy, positive youth development, mentoring, and life skills to help prepare future leaders of tomorrow. Programs with a strong focus on inclusion, diversity and equity (IDE) will be prioritized.

STEM Education

STEM-focused curricular and extracurricular programs to provide underserved students access to high-quality learning they need to succeed. Programs with opportunity for American Water employee engagement will be prioritized.

Application Open: July 1 – September 30

Grant Decisions: by November 15
